

OPT-IN TO START OR KEEP YOUR INSURANCE

IMPORTANT INFORMATION

This form is for members who hold or are eligible to opt in to insurance in the DEFAULT DIVISION. Generally, you're in the Default Division if you joined the Fund on or after 20 May 2024, are eligible for insurance and haven't opted in to the MINING DIVISION. If you hold insurance in the MINING DIVISION you're covered under different insurance arrangements. If you currently have insurance, you can find the Division you're part of by logging in to your online account at mine.com.au/login or by calling us on 13 64 63.

Before you start... Fill this form out in BLOCK letters using a black or blue pen. Write 'X' to mark boxes.

Use this form if you wish to have Basic Cover added to your Mine Super account (known as opting in) or keep your current and any future insurance cover if your account becomes, or is already, 'inactive' (that is, a contribution hasn't been credited to your account for 16 months or more).

For opting in, cover will be switched on the later of:

- you are aged 18, and
- your account receives a mandatory employer contribution or you're self-employed, and
- your account balance is at least \$500.

Read the Product Disclosure Statement (PDS) and **Insurance Guide - Default Division** for further information.

THE DUTY TO TAKE REASONABLE CARE

If you apply for life insurance, you will be treated as if you are applying for cover under an individual consumer insurance contract. The Insurer will conduct a process called underwriting. It's how it decides whether it can cover you, and if so on what terms and at what cost.

As part of underwriting, the Insurer will ask questions it needs to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance.

The information you provide in response to those questions will be vital to the Insurer's decision. As such, when applying for life insurance you have a legal duty to take reasonable care not to make a misrepresentation to the Insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed.

This may also result in a claim being declined or a benefit being reduced.

Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances.
- what the Insurer would have done if the duty had been met - for example, whether it would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.

4a. Application for Basic cover

Only complete this section if you don't already have Basic Cover.

I wish to apply for (opt-in to) Basic Cover.

I understand that cover will start the date this form is received by the Fund and the later of all of the following conditions being met:

- I am aged at least 18, and
- I am an employee and my employer is required to make mandatory employer contributions to my account, or I am self-employed
- my account balance reaches at least \$500.

I understand that the start of Basic Cover is subject to New Events Cover, meaning I will only be covered for new illnesses or injuries until I am in active employment for 30 consecutive days after the date insurance cover starts. If you are self-employed, Basic Cover will be New Events Cover indefinitely.

I understand that insurance cover will remain switched on, and insurance premiums deducted from my account, until I cancel cover or I meet an end of cover condition.

4b. Keep your insurance cover

Your insurance will be canceled if your account becomes inactive (that is, a contribution or transfer hasn't been credited to your account for at least 16 continuous months). - understand that my insurance benefits, including any future changes, will remain on my account, even if there has not been a contribution or transfer received in my account for at least 16 continuous months.
